# Nurture & Nourish - A Retreat for Mothers

You are invited to spend two delicious, soul-filling nights connecting to self, nature and other women at the stunning Moorings Lakehouse, 3.5 hrs north of Sydney.

Hosted by Marcia and Kellie, this is an invitation to come away with us and fill your cup. To honour and awaken the woman inside the mother. A deep energetic, emotional, physical and spiritual reset - or merely a circuit breaker in the beautiful, but often relentless role of modern motherhood.

This is not your usual retreat- it's going to be transformative, but it's also going to be fun! Think wellness retreat meets girl's getaway, where you can do as much or as little as you like. You'll have full access to the outdoor sauna, swimming jetty, paddleboards, daily yoga and you'll also enjoy sunset drinks and delicious dinner parties- all framed around soul healing sessions to nourish the mother and nurture the woman within.

Kellie will bring the woo woo and Marcia will bring the reality of merging it all with the demands of modern motherhood.. we want you to take what you need to return to your family refreshed with your cups filled.

***Are you ready to connect to the woman within?***
